LB 887, 867A

CLERK: Mr. President, LB 887 was introduced by the Public Works Committee and signed by its members. (Read title.) The bill was read on January 23, referred to Public Works. It was advanced to General File. There are no amendments.

SENATOR CLARK: Senator Kahle, for what purpose do you arise?

SENATOR KAHLE: Mr. President, should the A bill be moved or can we move it at this time for 867?

SENATOR CLARK: 887?

SENATOR KAHLE: No, the one...

SENATOR CLARK: I thought 867 was moved, wasn't it, Pat?

SENATOR KAHLE: It was moved but there is an A bill with it.

SENATOR CLARK: Okay, well we will go ahead and take up the A bill. Senator Lamb, do you want to move the A bill? It isn't on the sheet.

SENATOR LAMB: I will move that the A bill be advanced for LB 867, Mr. Chairman.

SENATOR CLARK: The motion before the House is the advancement of 867A. All those in favor vote aye. All those opposed vote nay. This is for the advancement of 867A. Voting aye.

CLERK: Senator Clark voting aye.

SENATOR CLARK: Have you all voted? Record the vote.

CLERK: 25 ayes, 0 nays on the motion to advance the bill, Mr. President.

SENATOR CLARK: The motion carried. 867A is advanced. Next bill is 887 by the Public Works Committee.

CLERK: Mr. President, LB 887 by Senator Kremer.

SENATOR KREMER: Mr. Chairman and members, I will do my best to explain what has happened that brings about the introduction of this bill. The present statutes allow a natural resource district that is under control to assess an extra quarter of a mill for the enforcement of rules and regulations. In the Little Blue NRD, the third NRD to go under control has created for them a problem and I
